Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Saturday 05 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry, turning cloudier by evening.

Today:
Another fine and dry day with plenty of sunny spells though cloud will gradually build during the afternoon. It will feel pleasantly warm in the sunshine with light winds. Maximum temperature 23 deg C (73 deg F).

Tonight:
Remaining largely dry this evening though often cloudy. Overnight, cloud will continue to thicken as a band of light showers moves in from the southwest. Minimum temperature 7 deg C (45 deg F).

Sunday:
Any lingering rain in the south will soon clear to leave a largely fine day with sunny spells. A few showers possible in the afternoon. Feeling warm with light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
A mixture of sunny spells and scattered showers on Monday and Tuesday. Showers could be heavy at times. Further outbreaks of rain possible on Wednesday with fresher winds.
